Dear Sir:

In response to the Notice Regarding Drawings mailed December 18, 2006 (which was after the allowance of the application) Applicant submitted three (3) sheets of replacement formal drawings depicting Figures 1-5 with regard to the above patent application. These papers are attached. The replacement drawings simply reflected the renumbering of the figures as requested by the Patent Office. Because of the renumbering of the patent figures, the Applicant hereby amends the specification to reflect this renumbering. Applicant respectfully requests that the specification be amended as follows:

Amendments to the Specification

At page 12, last paragraph, line 1, please replace -- Fig. A -- with "Fig. 1 (also referred to as Fig. A)"

At page 12, last paragraph, line 3, please replace -- Fig. B -- with "Figs. 2A and 2B (also referred to as Fig. B)"

At page 13, first paragraph, line 1, please replace -- Fig. C -- with "Fig. 3 (also referred to as Fig. C)"

At page 13, first paragraph, line 2, please replace -- Fig. D -- with "Fig. 4 (also referred to as Fig. D)"

At page 13, first paragraph, line 3, please replace -- Fig. E -- with "Fig. 5 (also referred to as Fig. E)"
